Dear Reader,

Semicon China is the international trade fair for the semiconductor industry. Last year, Semicon welcomed 35,138 visitors in Shanghai alone. Were you one of them? Yes or no, we are looking forward to your presence at the exhibition.

## ANNOUNCEMENT OF SEMICON CHINA 2019

We are pleased to announce that SCI is one of the exhibitors this year. We will be using this trade fair to highlight our latest products and technologies such as Iris, a fully automated plasma cleaner for Industry 4.0.

The Semicon China will take place at the Shanghai New International Expo Centre. Our hall is N2 -Singapore Pavilion. Visit our booth and ask your questions face to face now! The booth number is 2639. You can visit the exhibition on the 20<sup>th</sup> and 21<sup>st</sup> of March from 9am-5pm and on the 22<sup>nd</sup> of March from 9am-4pm.

Contact **SCI Automation** for standard or customized plasma cleaning solutions.
